Re: Nogales Warehouse Bid

Dear Mr. Burgess,

We would like to formally provide confirmation that JIT Services, LLC has been named the Service Provider for our Nogales Warehouse and the preferred VMI Service Provider for Nogales, AZ.

Please make all the necessary arrangements to have the VMI warehouse ready in the agreed 60 days after the receipt of this letter.

We look forward to working with your team on a full implementation program and the setup of operations.

JIT has shown great strength in regards to understanding the market and has worked well in bringing value to our company.

Again, on behalf of all members of the Continental Team, thank you for your full participation in this bid. We look forward to further growing the business with JIT.

Regards,

Adriana Castro Chavez
